Dear Parent/ Carer,

An exciting opportunity has arisen for your child to take part in a Creative Arts Breakfast Club led by MD productions. MD Productions have built up a well-respected professional repertoire in the entertainment industry, as well as being well known in the Liverpool city region for their community based project "Blank Canvas". The company believes in using creativity and performing arts, as a tool to engage and inspire. In a digital world MD want to captivate young people through the arts, to gain life skills and confidence; helping students to reach their full potential and achieve all of their hopes and dreams. For further information about what MD can offer you can visit www.mdproductionsltd.com.
