25th April 2018

Dear Parent/ Carer,

An exciting opportunity has arisen for children in Year 4 to take part in a Creative Arts after school workshop led by MD productions.

MD Productions was established in 2001 by founder and Creative Director Miguel Doforo. MD Productions has built up a well-respected professional repertoire in the entertainment industry. They have supplied dancers, singers, models and actors to some of the biggest shows in the UK. Some of these include; providing entertainment and choreography for the MTV Awards, The X Factor and Radio City Live. MD Productions also reached the LIVE semi-finals of Britain's Got Talent in 2007, 2009, 2013, and performed during the closing ceremony at the F1 Abu Dhabi Grand Prix in 2016 and 2017.

The company believes in using creativity and performing arts as a tool to engage and inspire. In a digital world MD want to captivate young people through creativity, using this to gain life skills and confidence, helping them to reach their full potential and achieve all of their hopes and dreams.
