"Aim high – Live life to the full"

DH/DM

8th June 2018

Dear Parent/Carer,

BikeRight! Will soon be coming to your child's school to run a Bikeability course which your child has the opportunity to take part in. Listed below are details of the course and what your child will need to be able to take part.

Dates of the course: (5RM) – Tuesday 3rd July and Tuesday 10th July.

Consent form (below) must be returned by: Friday 15th June.

What is Bikeability?

Bikeability is the new Cycling Proficiency for the 21st century. It's designed to give the next generation the skills and confidence to ride their bikes on today's roads. We will teach children to ride a bike to National Standards and introduce them to cycling as an everyday, fun, healthy activity and an alternative mode of transport.

How much will it cost?

Nothing! The course is funded by Department for Transport grants, and offered by your Local Authority and Merseytravel.

What will my child need?

- A signed consent form – please use the form below.
- A Helmet
- A bike which is road-worthy. Please follow the simple guide below to check whether your child's bike is suitable.
- Appropriate clothing. The children are to wear their school PE kit with their school jumper or cardigan. If it is cold then they can wear a pair of suitable trousers, still with their school jumper or cardigan.
- The ability to ride a bike unaided.

ParentApp

Please note that children cannot take part if their bikes are considered unsafe.

How is the Training delivered?

BikeRight's qualified instructors, who all hold current Enhanced Disclosure and Barring Service (DBS, formerly CRB) certificates, will deliver two full days of training consisting of 4 sessions, each lasting 2 hours. Courses are organised around a ratio of 6 trainees to 1 instructor.

Where will the course take place?

The course will take place in the school playground and on local roads near to the school. We will carry out a risk assessment of the training areas before the start of the course. A copy of the risk assessment will be available at the school.

BikeRight!

Bikeability Consent Form.

Please complete and return to school by the above date.

I give permission for my child to take part in a Bikeability cycling course. I understand that most of the training will take place on public roads, under supervision. I agree that my child can take part without any liability on the part of BikeRight! in respect of any injury or any loss or damage to property that is not caused by an instructors negligence.

BikeRight! is not responsible for your child's journey to and from school with their bike.
