

## Super Star Achievements

- ★ Well done to Warren Donovan who received a certificate for being able to now swim 300m! Wow!
- ★ Well done to Harry Long, James Long and Ethan O' Brien for achieving their next level in swimming

## Library Launch

We have had our library launch over the past two weeks. Children, parents and other family members have all enjoyed visiting our new reading space and we have had such wonderful feedback. Lots of children have already decided which book they are going to borrow first! The library will be open to children to visit with their class after half term and they will then receive their library card. When you get your login details, remember you will then be able to access our school library and write reviews on <https://www.readingcloud.net/>. We will arrange a regular night so it can be open to children and parents to visit after school very soon! Again, thank you for visiting and happy reading!!

## Reading Quotes

- 'Fill your house with stacks of books, in all the crannies and all the nooks', Dr Seuss
- 'Books are a uniquely portable magic', Stephen King

## Tail Gaiting

Can we please ask that parents or carers don't tail-gate others onto the school premises as this does cause congestion and parking issues within our grounds.

## Homework Bags

By now, your child/children should have a new Blessed Sacrament homework bag. I really wanted every child to have one to raise the profile and importance of homework. I am asking you to check that your child has their weekly homework in it, their books and reading record and any letters home. It is a clear way of staying on top of our homework expectations. Homework is set and should be brought home on Friday's to be returned by all the following Thursday. Your support in ensuring this happens is essential and I think the bags make this easier to do!

'Aim high — Live life to the full'  
John 10:10

Aspirar a tener una vida al maximum

## RE Quote:

"I am the bread of life; whoever comes to me shall not hunger, and whoever believes in me shall never thirst."  
John 6:35

Dear Parents and Carers,

I cannot believe that the end of this half term is next Friday—where has it gone? All classes have started new learning themes upon returning to school for spring term and their learning areas have been transformed to reinforce this. For example, Year 2 is all about Space, Year 3 The Greeks and Year 6 The Vikings. I hope the children have come home and told you lots about what they have been learning this half term. Year 4 children had a wonderful time at Crosby Hall experiencing all of the amazing and fun activities—all of which wouldn't have been possible without the fantastic commitment from our staff team. Lots of day trips have been had including children going to the cinema as a reward for the best attendance (well done 5GC). We are delighted to have been awarded a £5000 grant from private company called Cargill who are now working closely with the school in developing our outdoor environment. Our children continue to compete brilliantly in various sporting competitions across the city and even if they don't win, their attitude in representing our school is always fantastic. So as you have read in this very brief snapshot of school life, it has been a very busy half term at Blessed Sac!! Thanks again for your continued support, Mr Davey and the team.

## Blessed Sacrament Church

Parish office :  
Mon, Tues, Wed,  
Fri 9am - 12pm  
and 1.30pm - 3pm.  
Closed :Thursday.  
Mass times :  
Mon, Wed, Fri 9.15am  
and Tues and Thurs  
12am.

## Attendance Update 22/01/18 - 26/01/18

*Winning Classes RW, 2FL and 5GC. Well Done!*  
Class 5GC went to Crosby Plaza this week to watch Wonder. This was their reward for having the best attendance in Phase 3 for the Autumn Term.  
Phase 1 winners 1P and Phase 2 winners 2FL are still deciding on their reward.

## Attendance and Punctuality Concerns

At this half way point of the year, a reminder is very much needed about the importance of your child/children **attending school 100% of the time** and when in, getting to school on time. Every second counts in school and lessons missed is lost learning that can't ever be repeated in the same way for your child. Lateness every day means the same aspect of learning is missed every day—especially sounds work in Early Years and KS1—and this is vitally important. Please work with us in ensuring that your child/children attend daily – with no unauthorised absences that have to be challenged by school. Thank you!!

## Spanish Phrase of the Week

Que tienes un buen fin de semana

Can you translate this Spanish phrase?

# MD Productions

Year 3 children had a dance workshop from a company called MD productions. There is a free open day taking place in Liverpool for free dance, drama and singing lessons. All children are welcome from the age of 2 years old. Information can be found on MD Productions website which is <http://mdproductionsltd.com/>

***All dinner money and Extended Services to be paid in advance please. Thank you.***

# Little Buds

Little Buds children have been having lots of fun this week with gloop and shaving foam. What a great way to learn!!

# Father Sergio Visit

Fr Sergio visited our Reception children last week. The children wanted to find out what kinds of things he did as a priest. They asked lots of interesting questions and Fr Sergio enjoyed meeting the children. He will be back in school very soon.

## Collection for Claire House

As a school we raised £849.10 for Shea Givin's Collection. A big thank you to everyone who donated.

## SIMS AGORA

Please can we ask that any money being paid is paid through the online system SIMS AGORA as we are aiming to become a cashless office. If you still require a code or have problems logging in please contact Mrs Jones at the main office. Thank you.

**Could we ask that all children come into school with all they need for the day: Packed lunches, P.E. kits, instruments etc instead of them being passed through the office. Thanks!**

## **REMINDER!!!!**

The school gates are locked at 9am daily for safety reasons. All late arrivals must then sign in using the screens in the entrance foyer area. If you do need to speak to your child's teacher about a concern, either arrive a little earlier (as I am sure the teacher will make every effort to speak to you) or alternatively, make an appointment to see them.
