Breaking News!

Aliens have landed on the school grounds of Blessed Sacrament!

Exciting things have been happening on our school grounds. An alien space ship crash landed and Reception have been investigating. It was that exciting that teachers from other schools in the local area came to join RN in their investigation and activities.

Year Six have completed their first practice test this week. We are very proud of the determination and resilience that all of the children have shown. Well done Year Six.

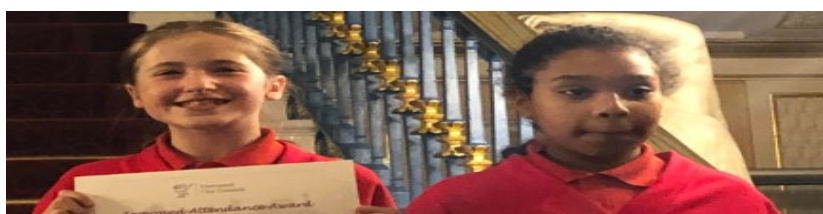

Some of our children have recently had the opportunity to visit the theatre to see two different productions.

Year 4 had a lovely (if somewhat scary) morning at New Brighton Floral Pavilion Theatre watching an Ancient Egypt Horrible Histories performance. We learned lots of new things about our topic and enjoyed being able to scream really loudly. We got to wear 3D glasses for part of the show and lots of us nearly jumped out of our seats.

Year 6 went to see Nativity The Musical at the Empire Theatre. They had an amazing time and really enjoyed the experience. A big thank you to Lily Hynes's dad for acquiring discounted tickets for us.

Star pupils

We are working hard as a school to improve our attendance. We are proud of the children whose attendance is improving and are trying to be in school as much as possible. Well done to two of our Y6 pupils who received an award and a £20 Liverpool 1 voucher for most improved attendance.

Last week's attendance.
