"Aim high – Live life to the full"

Friday 1st March 2019

Dear Parents and Carers,

I have been approached by Made TV (our local Liverpool TV company). They are giving our school an exclusive opportunity for 1 family to be part of a programme for Merseyside Recycling and Waste. Their aim is to make four 2 minute programmes, meaning that the family would need to be available for filming for 2 days, roughly about 2 weeks apart. The only other information I have is that the content would be about how you currently recycle as a family.

So, if you are interested at all, please email admin@bsprimary.com and we will get back to you with further details.

Personally, I think this is a fabulous one-off opportunity for a family from school to get involved in something that is pretty unique.

Yours sincerely,

Mr Davey
Headteacher.
