“Aim high – Live life to the full”

Thursday November 22nd 2018

Dear Parents and Carers,

Thank you ever so much to all of the 240 parents who took the time to complete our parent survey, I really appreciate the feedback. Overall, I am very pleased with your opinions about the job we are doing in support of you and your child / children. The vast majority of answers were giving us a high or very high percent of support (the ‘agree’ and ‘strongly agree’ answers combined). For example, 92% said that their child was happy in school, 95% that their child felt safe in school, 86% thought their child was making good progress and 88% stated that their child was well looked after.

For those questions that had a slightly lower percentage of agree and strongly agree, those aspects will be the areas that I will discuss in detail with my team with a view of making any changes we feel are possible to improve. I believe that the 43.10% who neither agreed or disagreed about staff dealing effectively with instances of bullying represented those who have not experienced it, which is good.

84 parents also left comments for us, with the vast majority again very supportive and grateful – and I thank you for that. Two examples are: “I can see the school improving every term and massively over that last 12 months” and “My child is thoroughly enjoying school and is making excellent progress. The introduction of the Edible Playground is a brilliant idea. We look forward to seeing the new play area on the back playground. Well done to all of the hard working staff at Blessed Sacrament. Keep up the good work, we really do appreciate it.” Where comments expressed a concern, they mainly related to some relationships at break time and our online payment system Agora.

I have put the whole survey outcome on the school website. Go to YOUR VIEWS > LATEST PARENT SURVEY.

To all parents and carers, thank you for your continued support and as each term passes, we look forward to working with you as closely as we can to make our school as good as it can be!

Yours sincerely,

Mr Davey

Headteacher.
