

## **Blessed Sacrament Catholic Primary School Mission Statement**

**“Aim High – Live life to the full! [John 10:10]**

**At Blessed Sacrament Catholic Primary School, we embrace our Catholic community to nurture the full potential of everyone in a loving, family environment.**

### **Faith**

**We embrace opportunities to experience and participate in the liturgical life of the Church by worshipping together and preparing for our Sacramental journey:**

- ✓ We develop a sense of awe and wonder in God’s creation.
- ✓ We work together to celebrate gifts, talents, successes and the uniqueness of everyone.
- ✓ We are guided by the Gospel values of love, hope, care, respect, justice and forgiveness.
- ✓ We grow in our relationships with God and understanding that others choose to express their faith in different ways.

### **Community**

**We foster positive links by valuing diversity, encouraging empathy, understanding and harmony within our school, parish, local and global communities so that all can live peacefully together:**

- ✓ We nurture links with our families and Church to serve each other, building an open and welcoming ethos where all people feel appreciated.
- ✓ We value our links with our school and community groups as well as local businesses and all people in our neighbourhood to help each other grow in love and respect.
- ✓ We support our global community through our charity work, our understanding of other faiths and cultures and we help to safeguard our world through environmental projects.

### **Curriculum**

**We enjoy an aspirational, creative topic-based curriculum that is full and rich so that it inspires all learners to have fun and achieve:**

- ✓ Our challenging curriculum enables all of us to achieve our dreams and ambitions.
- ✓ We build resilience and tenacity in order to develop confident, independent learners.
- ✓ We celebrate the achievements of everyone, remembering that we are all God’s special people.

### **Pastoral**

**We support each other at all times, but in particular at those times when we are feeling more vulnerable:**

- ✓ We flourish through outstanding pastoral care that is shared amongst us.
- ✓ We treat everyone as special, ensuring the wellbeing, mindfulness and mental health of all is understood and supported.
- ✓ We promote a happy and safe environment where all act as positive spiritual and moral role models for each other.
